## Work Experience

*Volunteer position for local theatre group 'Exit Stage Left'*

**July 2012** I created and managed spreadsheets keeping records of which newspapers were attending the performance at Edinburgh Fringe festival, and organised lists of props etc. I was trusted with keeping to my own schedule and was punctual throughout this.

*Website design/ maintenance and online retail - PJS Music Services.*

**July 2013 - Present** I designed the main website layout and created graphics for the website, checked all the prices etc. I currently manage the shop website and update periodically with ways to increase online sales. This may include finding products, SEO or design changes.

*Sound Engineering Assistant - XTREME sound systems*

**July 2013 - Present** I have assisted XTREME sound systems by running wires/ carrying equipment on short notice. These, sometimes 15 hour+, shifts have made me more knowledgeable about how live sound works, and I am learning how to work the mixing desk.
